The Albanian Government has issued a statement to the effect that escapees who elect to return will not be punished.

2. Two officials[2] from the Albanian Legation in Belgrade were beaten by Albanian escapees at a Crna Gora refugee camp while urging them to return to Albania. This visit by the Albanian diplomats was in violation of regulations, hence the Yugoslav Government has restricted the Albanian diplomats to the limits of Belgrade. For travel outside of Belgrade, permission must be obtained and a full itinerary must be provided in advance. Restricted border zones are denied to all diplomats in Belgrade. 25X1

3. Satellites continue to exert pressure on Yugoslavia for the return of their respective escapees.
